The Traitor's Chair

GUIDELINES :

- **In phase 1 of the game, contestants must walk around the chairs while the music plays and scramble for a seat as soon as the music stops.**
- **In phase 2, the mafias will decide to kill a citizen and the doctors will decide to save a citizen.**
- **If the citizen killed and saved is the same person, no one is eliminated. However, if they are different, the targeted citizen is eliminated.**
- **The citizens must discuss amongst themselves and vote for the people they think are the mafias.**
- **The citizens must eliminate all Mafia members in order to win.**
- **The Mafia must survive until 2 citizens are left in order to win.**
