Shadowed Script

Where Silence Speaks Through Ink

BLACKOUT POETRY COMPETITION

"Not every poem is written.
Some are discovered.
Some are rescued from the shadows.

Shadowed Script invites you to dive into the art of blackout poetry — where ordinary printed words are transformed into extraordinary verses. In this battle of creativity and minimalism, what you hide becomes as powerful as what you reveal.

Take a page, Strike out the noise, Let meaning emerge from darkness."

Between ink and silence,
Between chaos and calm,
A poem waits —
Hidden in the dark..
